- \*Parking lots and register stalls are “HOT SPOTS” for targeting.**
- \*Always get a shopping cart! YouTube search: iPhone pin hack.**
- \*ID, credit cards, cash & checks should be kept on you, not in purse.**
- \*Men, never carry wallet in back pocket.**
- \*One strap purse is safer than two, never wear cross body purses.**
- \*Carry your cell phone on your person, ALWAYS ON!**
- \*Never ready your method of payment at the register!**  
**(Always by the unmentionables)**
- \*Never push your shopping cart through the register, PULL IT!**
- \*Always use Gel Ink pen when writing a personal check.**
- \*Keep a dry erase marker in your car!**

**\*Use your debit card a credit card. When entering your pin use your car key, gel pen or stylus. NEVER WARM THE KEYS WITH YOUR FINGERTIPS OR WARM ALL KEYS BEFORE WALKING AWAY.**

**\*Before leaving the building, ready your bait money and bait keys.**

**\*Walk with confidence, purse away from moving cars, check your 6**

### **PRACTICE RANGE OF MOTION**

**\*Leave check book and social security card at home!**

**\*Carry a whistle on your key chain**

**\*Carry a TRIAD WALLET MEDICATION CARD.**

**\*Secure purse to shopping cart with a metal carabiner**

**\*Homeless people will break your window for coin/use a baby diaper.**
